

MIRIAM REESOR

Miriam Reesor has an educational background in Social Work and Sociology and has actively worked in the field of child and family services for over 25 years. For the past ten years Miriam has been manager of Healthy Babies, Healthy Children Family Home Visiting Program for the Hincks-Dellcrest Centre. This program targets children (prenatally until the age of six) who are at risk for optimal development by providing support to families in the areas of child development, parenting education and referrals to community resources. Miriam's home visiting team speaks twelve languages which allow them to provide service to many of the language and cultural groups living Toronto.

Miriam has also over the past ten years worked with the Hincks-Dellcrest's Learning Through Play International Program. Miriam is currently manager of this program. The Learning Through Play (LTP) International Program partners works with local community partners in the use and implementation the Learning Through Play child development and parenting resources and methodology. Miriam is active in the development of LTP training resources and is the lead trainer for LTP. In addition to training in Canada, Miriam's LTP travels have taken her to Mexico, Dominican Republic, Haiti, Burkina Faso, Ghana, Ethiopia, Uganda and Kenya.
